Exchange Academy: Sharing the path in XLH, from child- to adulthood

Thursday 30 June 2022 | 09.00 - 17.00 CEST
Berlage, Amsterdam

Knowledge in the field of x-linked hypophosphatemia (XLH) is in an accelerating phase. We invite you to trace the path in XLH from childhood to adulthood in this symposium. The experts will discuss the diagnosis and challenges, the different perspectives and multidisciplinary approach of XLH and the transition from children to adult care.

Steering committee:

- Prof. dr. Elena Levtchenko, KU Leuven
- Dr. Natasha Appelman-Dijkstra, LUMC
- Dr. Annemieke Boot, UMCG
- Prof. dr. Carola Zillikens, ErasmusMC
